Established in 1971, Alfonso Marina offers high-end products with the finest selection of materials and finishes, providing design and quality to those who surround themselves with the best. To those who value dedication, patience and pride of craftsmanship and appreciate the quality produced using old world techniques to recreate the best carvings, incredible veneering and inlays gracefully finished to achieve the antiquity and patina only found in the best antiques.

ABOUT US

With over 50 years in the business, Alfonso Marina has influenced design trends by preserving the essence of creating timeless pieces of the highest quality that are not limited to a particular period or style, being able to satisfy diverse tastes that work in current metropolitan decorations and casual environments, reaching the most demanding audiences around the world.

Our product design and construction use the best traditional approaches; our joinery is done with mortise and tenons, ingrain moldings, complex veneered faces, marquetry and bone inlays and paneled solid wood backs, all of which are made in our plant. Our hardware is sand casted and finished in our shop. We specify only the best materials, all the wood we use is kiln dried and our veneers are carefully chosen to achieve products that will pass gracefully to the next generation. Most of the work is done by hand, with CAD technology and a few other machines, the only nod to modern technology.

Understanding this factory implies immersing into a world of techniques, materials and history, which in the end take you to a high level of uniqueness.

Alfonso Marina exports 87% of its production and has worked with some of the most influential designers in projects of the highest level around the world, including residences in Saint Paul de Vence and China, penthouses in New York, presence in hotels like the Hotel Hermitage in Monaco, Riffelalp Resort in Zermatt, Switzerland, Four Seasons in Montecito California, Ritz Carlton in Half Moon Bay, Las Ventana's al Paraiso and One and Only Palmilla in Los Cabos, amongst others.

We, at Alfonso Marina & Co. proudly consider ourselves XXI´st Century artisans preserving the art of woodworking.

ALFONSO MARINA FINISHES ARE CREATED WITH SPECIFIC TECHNIQUES DESIGNED TO ACCENTUATE THE NATURAL CHARACTERISTICS AND BEAUTY OF THE WOOD WHILE ACHIEVING A PARTICULAR LOOK AND PALETTE. OUR FINISHES ARE HAND APPLIED BY SKILLED ARTISANS UTILIZING SPECIALLY DEVELOPED TOOLS AND TECHNIQUES. AGED FINISHES ARE DESIGNED TO REPLICATE AUTHENTIC SHADING, DISTRESSING AND CHARACTER MARKINGS FOUND ON WELL-PRESERVED ANTIQUES. SOME OF OUR FINISHES ARE DESIGNED TO BE USED ON A SPECIFIC WOOD SPECIES AND ARE NOT RECOMMENDED ON OTHERS. AS EACH PIECE OF WOOD IS UNIQUE, WE CANNOT GUARANTEE FINISH MATCHING FROM ONE PIECE TO ANOTHER. NATURAL COLOR AND GRAIN PATTERN VARIATIONS INHERENTLY INFLUENCE THE END RESULT AND ENHANCE THE UNIQUE CHARACTERISTICS OF EVERY PIECE WE PRODUCE. SOME OF THE FINISHES ARE AVAILABLE PLAIN OR WITH GOLD / SILVER LEAF ACCENTS AS APPLICABLE.

EACH PRODUCT HAS AN ITEM CODE AND IT INCLUDES THE TYPE OF MATERIAL THE FURNITURE IS MADE FROM IN THE SUFFIX:
